

THE MAN OF THE SHROUD

The Shroud of Turin has long been venerated by the faithful and is believed by many to be the burial cloth of Jesus of Nazareth. The Shroud is one of the most scientifically studied religious icons in history. As science has progressed, so has the speculation on how the image of the crucified man of the Shroud was made.

The Church of St. Pius X is excited to host a moving and informative mobile exhibit on the Shroud of Turin. The centerpiece is a full length canvas replica of the Shroud. The exhibit also contains display banners detailing the history and science of the Shroud.
